Preach What You Practice

You've worked hard to create raving fans. Why aren't you giving them a platform to let their voice be heard? Bravo Review Booster empowers your customers to promote your brand by sharing their incredible experiences with your company.

90%

of purchasing decisions are
influenced by online reviews.

convinceandconvert.com

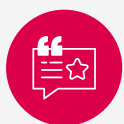

Increase Online & In-Store Sales

92% of consumers are more likely to purchase items from a business after reading reviews. Make purchase decisions a no-brainer!

Outplay the Competition

73% of consumers say they trust a business if it has customer reviews. Make it easy for customers to trust you!

Boost Brand Reputation

Nearly 70% of customers are happy to leave a review when asked. Don't let your most effective advertising asset walk out the door!

The Easiest Way to Increase Your Number of Positive Reviews

- At the end of a transaction, just send the review link directly from Bravo to your customer.
- In 3 quick clicks, your customer can complete the review
- Your positive review is automatically posted to Google, Facebook, Yelp and CitySearch. And the review is instantly added to the customer profile in Bravo.
